

Styling Tips

There are dozens of ways to wear your ZiiCi shawl. Unlike most pashmina scarves, there's no tying or pinning required. Just adjust the cord lock and move it around for a great fit.

SHOULDER DRAPE

Drape the shawl over your shoulders then pull the bottom of the fabric through the neckline and over.

V-NECK PONCHO

This style features the cord lock down low in front. Wear the shawl over the shoulders or off the shoulders. Slide the cord lock to the side for new variations.

BACKWARDS V-NECK

Slide the cord lock to the middle of your back. Wear the shawl over your shoulders, off both shoulders or off one shoulder.

HANGING NECK DRAPE

Hold the shawl in front of you with the cord lock at the top. Place the shawl over your head resting the cord lock behind the neck. Adjust the fabric to suit you.

REVERSE SHAWL TOP

Follow the instructions for the hanging neck drape above. Then take the ends of the fabric and throw them backwards over your shoulders.

OVER ONE SHOULDER #1

This style features the shawl over one shoulder and under the other arm with the cord lock worn low.

OVER ONE SHOULDER #2

This is similar to the one above except that the cord lock is placed on top of the shoulder.

STRAPLESS TOP OR DRESS

Place the shawl around your chest and adjust the cord lock to fit. Slide the cord lock to the side or to the middle for different variations.

PASHMINA SCARF

There are many ways to wear a ZiiCi shawl just like a pashmina scarf. This style involves placing the cord lock behind your neck then pulling the ends around your neck to the front. You can also tuck the ends under for the appearance of an infinity scarf.
